ONE OF THE BEST HAIR SALONS IN MANHATTAN

If you're not thrilled with your hair, it's time to visit Angelo David Salon in the heart of Midtown Manhattan. We've been giving women exactly what they want for over 20 years. And while we specialize in **hair extensions** and **hair loss solutions**, we're also experts at giving you the cut, color and style that's perfectly customized for you.

We offer every new client a complimentary consultation in one of our private rooms. We'll analyze the current condition of your hair. Discuss cut, shape, color and style. And suggest the best solutions to any hair or **hair-loss** challenge.

As Manhattan's **Couture Hair Extension** and **Addition™** experts, we can transform hair that is:

- Too fine
- Too short
- Thinning
- Balding
- Damaged
- Not the right color

Explore our full range of services [here](#).

Our **Couture Hair Color** is completely customized to enhance your skin tone, eye color, hair texture and type. Couture Hair Color brings your natural hair to life or matches your new Couture Hair Extensions to your existing hair.

So what are you waiting for? Whatever your hair challenge, we can help!
